

METAL EARTH™

3D LASER CUT MODELS

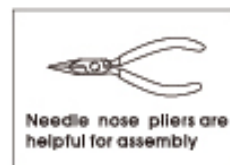

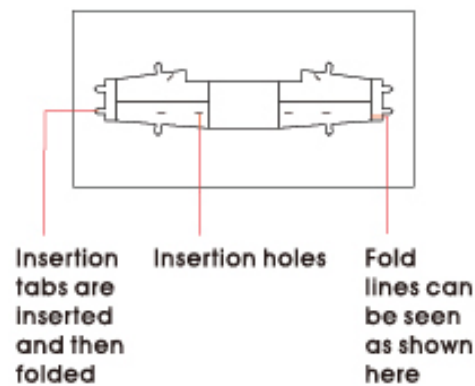

It is highly recommended that you visit
www.fascinations.com/metalearth360/mms300
 to see the completed model before assembling your own

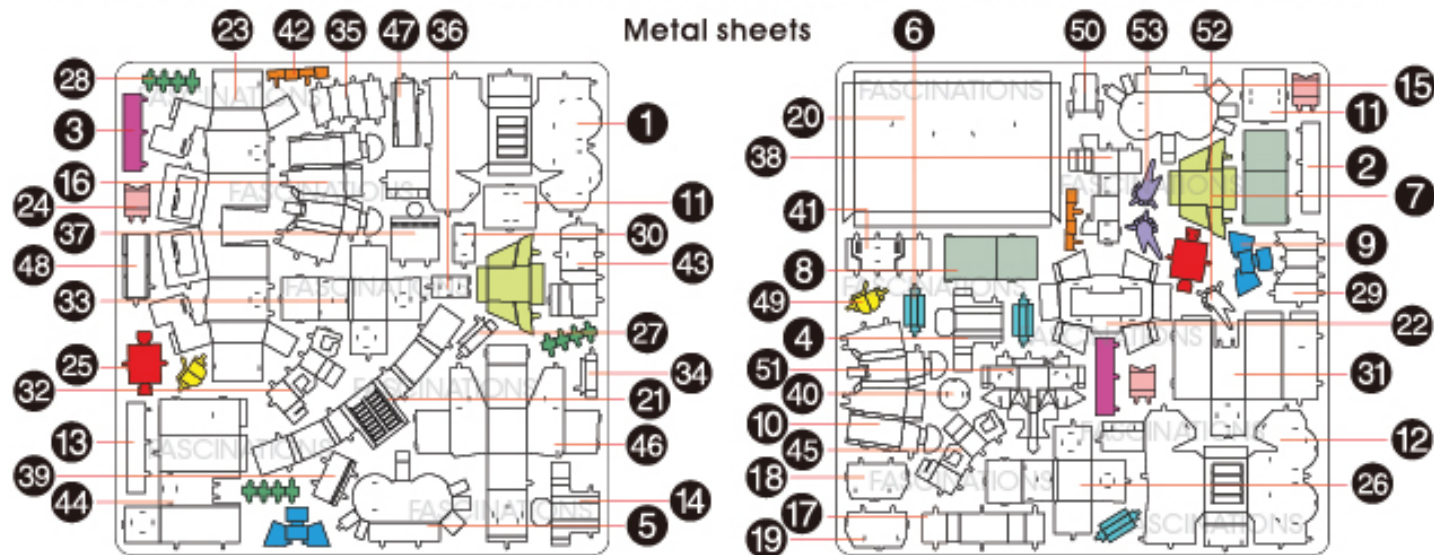

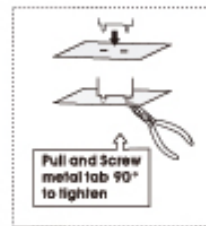

mms300

To create the best connections

- Insert tab and bend 90° for most visible areas
- ▲ Insert tab and twist 90 degrees is best in some areas to ensure a tight connection

In order to avoid possible injury from sharp edges, please carefully discard the metal sheet after parts have been removed
